AND POWER OF ATTORNEY

Sir:

Submitted herewith is a Supplemental Combined Declaration And Power Of Attorney For Patent Application executed by the inventors, for the above-identified patent application.

The Combined Declaration and Power of Attorney filed with the Application on March 1, 2002 did not include foreign priority application 264386/96 filed October 4, 1996 from which the Applicants claim benefit under 35 U.S.C. § 119. This foreign priority application was, however, included in the Application Data Sheet. Applicants submit this Supplemental Declaration to correct this inadvertent omission from the previously filed Declaration.

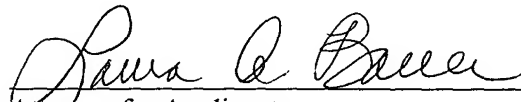

Applicants also intend to file a Second Preliminary Amendment to incorporate the omitted foreign priority application into the recitation of the continuing history in the specification.

Entry of this Supplemental Declaration is respectfully requested.

While it is not believed necessary to include any fee with this submission, in the event it is determined that a fee is due for the filing of this paper, the Commissioner is authorized to charge any fees to Deposit Account No. 06-1205.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.
